

# CCVN Child Size Surgical Hat

Small

Cut 1 on fold

↑ fold ↑

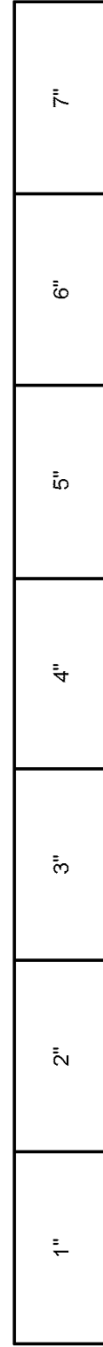

Binding: cut binding fabric 1.5" wide.

Cut a length across entire width of fabric (at least 42" long)

Make 1/4" double-fold binding from binding fabric.

After hat is assembled, attach binding first to neck edge.

Then attach remaining binding to brim edge, leaving an even amount of binding extended beyond the hat on each side for ties.
